It's hard to know exactly where to begin, as I'm still trying to gather my thoughts. It's been a while since our car crash affected us, as well as other personal matters.

For some time since February, I was dealing with some personal hardships, and I made the mistake of letting my frustrations turn into miscommunication. I won't go into the private details, but I didn't consider how my actions would affect everyone. For that, I am deeply sorry, and I take full responsibility.

Unfortunately, this has cost me some connections online, which has been a difficult but necessary wake-up call. I am reflecting on this as a learning experience and realize that personal problems need to stay private.

The time I used excuses to blame the situation was never valid or clear.

I need some time to process everything right now. Please give me some space while I handle this privately.

MBC MEDIA GROUP

PUBLIC CLARIFICATION

We wish to clarify that the statement published in Mr. Rigoberto Tiglao's August 10, 2026 column in The Manila Times, claiming that DZRH and 96.3 Easy Rock are controlled by Indonesian businessman Anthony Salim, is incorrect.

DZRH and 96.3 Easy Rock are radio stations owned and operated by Manila Broadcasting Company (MBC). They operate under MBC's valid legislative franchise and are members of the MBC Media Group. MBC is a publicly listed Philippine company. Neither DZRH nor 96.3 Easy Rock is owned or controlled by Anthony Salim.

MBC complies with the constitutional requirement that the ownership, control, and management of mass media be limited to Filipino citizens or to corporations, cooperatives, or associations wholly owned and managed by Filipinos.

We therefore urge the public not to accept, repeat, or share unsupported posts and statements. Before treating information as fact, the public is encouraged to verify its source, consult reliable information, and carefully assess what it reads, watches, and shares.

We welcome responsible public discussion. However, claims that falsely attribute the ownership or control of Philippine media entities to a foreign individual should not be presented or accepted as established fact.

PROSECUTION PUTS THE SPOTLIGHT ON COLONEL LACHICA

Why did VP Sara Duterte trust her security officer Col. Raymund Dante Lachica with the OVP's confidential funds—and could he be the missing link the prosecution has been looking for?

[ANALYSIS] Duterte impeachment trial Day 16: Why did Sara trust
l!fe
"Who is Col. Raymund Dante Lachica, and why did Vice President Sara Duterte allow him to receive and dispense P125 million in OVP's confidential funds in December 2022?
It got circuitous in the first few hours of Day 16, but after three hours of examining a hostile witness, the former OVP special disbursement officer Gina Acosta, the prosecution finally made itself clear: It was zeroing in on Lachica, the man Duterte entrusted with the
l!fe
"With Lachica now uncovered, the prosecution managed to establish that there was supposedly a break in the 'chain of accountability,' as defined by a previous witness, Commission on Audit state auditor Xylene del Campo, in the disbursement of the P125 million, a quarter of the questioned P500 million in confidential funds released to the OVP between 2022 to 2023, when Lachica took an active role in receiving
l!fe
"According to del Campo, quoting the joint circular of 2015, only Acosta was the authorized disbursing officer. Nobody else."
l!fe
"At the insistence of Ligutan, Acosta said she trusted Lachica to handle the funds because of her boss, 'the head of the agency,' Vice President Sara Duterte, under whose name the confidential funds were released.
So again, why did Duterte trust him that much? Was it proper for Duterte to deputize Lachica to dispense the funds?"

Donald Trump attacked CNN reporter Kristen Holmes for asking if he spoke to North Korean dictator Kim Jong-un: "Quiet. CNN, fake news. You're a loud, boisterous person. You're fake news. Be quiet. Be quiet. Be quiet. You're a fake reporter and you report fake news."
https://variety.com/2026/tv/news/trump-attacks-cnn-kristen-holmes-north-korea-dictator-1236836707/

Meanwhile, the White House slammed Holmes as a "disgraceful, humiliating embarrassment to her alleged profession" because she asked Trump for his response to a remark by Georgia Sen. Jon Ossoff about one of Trump's aides.

"Someday, your children will come across your disgusting and inhumane question. They will be sickened and embarrassed to have a parent be so callous and vindictive. It's quite troubling," the White House added.

Parental Guidance
For '90s kids, Saturday afternoons were different. It was a non-negotiable tradition.
★ Eat Bulaga! would wrap up...
★ The hosts would shout...
★ And Startalk would begin RIGHT AWAY!
WHAT IS STARTALK?
Startalk was a Philippine television variety show broadcast by GMA. It premiered on July 22, 1995 and became one of the most popular noontime shows of the '90s.
A SHOW FOR EVERYONE
• Fun games and live audience
• Celebrity guests and music
• Good vibes every Saturday
• A perfect companion after Eat Bulaga!
PART OF THE EXPERIENCE
SkyFlakes. Nissin Eggnog. Nissin Wafer. Either on your snack plate, tucked in your bag, or beside you while you nap... these were the essentials.

THE MAGIC OF LIVE TV
No DVR. No replay. You had to be there. It was live, it was real, and it was ours.
FROM EAT BULAGA! TO STARTALK...
THOSE WERE THE GOOD OLD DAYS.
SIMPLE. FUN. UNFORGETTABLE.
DID YOU KNOW?
Startalk aired every Saturday after Eat Bulaga! until 2004, before going on a break and returning in later years.

Vice Ganda and Vhong Navarro sparked laughs on “It’s Showtime” after joking about Sen. Robin Padilla’s iconic Maging Sino Ka Man look. 😆

Vice then threw in a cheeky reference to the controversial “Bilibid” law remark that resurfaced online. So far, Robin and Mariel Rodriguez-Padilla have not publicly reacted.

"Ang galing. Magaling talaga ’to, idol ko 'to eh, nakakapagpasa 'yan ng batas sa Bilibid." Ang naturang pahayag ay nagdulot ng malakas na tawanan sa studio kasama ang iba pang mga host at mga audience.

Oratio Imperata
Prayer for Deliverance from Calamities
Almighty Father, we raise our hearts to You in gratitude for the wonders of creation of which we are part, for Your providence in sustaining us in our needs, and for Your wisdom that guides the course of the universe.
We acknowledge our sins against You and the rest of creation. We have not been good stewards of Nature. We have confused Your command to subdue the earth.
The environment is made to suffer our wrongdoing, and now we reap the harvest of our abuse and indifference. Global warming is upon us. Typhoons, floods, volcanic eruption, and other natural calamities occur in increasing number and intensity. We turn to You, our loving Father, and beg forgiveness for our sins. We ask that we, our loved ones and our hard earned possessions be spared from the threat of calamities, natural and man-made. We beseech You to inspire us all to grow into responsible stewards of Your creation, and generous neighbors to those in need.
Amen.

TV PROD SCIENCE MUNA TAYO: Sa palagay ninyo, bakit kaya mas ginagamit pa rin ang mga dilaw na ilaw sa loob ng mga studio ng ABS-CBN kaysa sa puti?
Tulad halimbawa sa It's Showtime, medyo blue-ish tingnan ang studio kapag pinanood sa TV, pero hitsurang mas madilaw ang mga hosts at live audience sa personal.
Siguro kung natatandaan niyo pa ang Pasalog segment ng Wowowee, iniiba ang kulay ng video kapag pinapakita ang paglabas ng mga nananalong contestant mula sa studio.
Pero kung ikukumpara mo ang dalawang noontime shows, mas blue-ish ang kuha ng mga camera sa Wowowee kaysa sa It's Showtime.

The Vice President instructed OVP Special Disbursement Officer Gina Acosta to turn over ₱125 million in confidential funds to Col. Raymond Lachica.

This was the admission made under oath by SDO Acosta herself during today's hearing.

It will be recalled that COA-ICFAO Auditor Xylene Del Campo previously testified that the turnover of confidential funds by an SDO to another person for further disposition is a clear and direct violation of Joint Circular 2015-01. This violation formed part of the basis for the Notice of Disallowance subsequently issued by COA covering the OVP's liquidation of the confidential funds.

This matter was discussed during today's press conference.

Acosta says she called Lachica after the encashment of the check.

Ligutan asks Acosta why she needed to do this when she is the disbursing officer and she cannot even answer if he is an employee of the OVP.

Acosta: "Ang nag-utos po sa akin na i-release ang pera na 125 M sa security officer na si Colonel Lachica ay si Ma'am Sara Duterte."

Saint Agatha was solemnly crowned today in Catania by Cardinal Pietro Parolin, Pontifical Legate of Pope Leo XIV, as the city celebrates 900 years since the return of her relics.

On August 17, 1126, the relics of the third-century virgin and martyr returned to Catania (in Sicily) from Constantinople. Nine centuries later, that historic homecoming was commemorated with a 7.5 km pilgrimage through the city to Piazza Duomo.

There, Saint Agatha's skull was presented to the faithful before being placed inside her magnificent reliquary bust, while her other relics were returned to the silver reliquary casket. Cardinal Parolin then performed the solemn coronation of Catania's beloved patroness.

900 years later, Catania still welcomes Saint Agatha home: "Cittadini, viva Sant'Agata!"

STATEMENT ON THE CHINESE EMBASSY'S LATEST PRONOUNCEMENT

August 17, 2026

The Department of National Defense exists to protect Philippine sovereignty, our territory, and our people. That duty is non-negotiable.

Attempts by the Chinese Embassy to dismiss legitimate national security concerns as mere "political rhetoric" or "inflammatory language" do not erase the documented, ongoing Philippine law enforcement operations against illegal activities by Chinese nationals within the Philippines' sovereign territory and jurisdiction.

We have posed questions to the Chinese Embassy on these illegal activities. The Filipino people demand unequivocal answers, not evasive questions and concocted narratives that are clearly intended to mislead the general public and misdirect their attention away from the core issues at hand. We decry this apparent hypocrisy of abusing the freedom of speech in our country while there is censorship of the same in China.

Fun Fact:

In May 1936, Sr. Faustina arrived permanently in Kraków. Initially, she was assigned work in the garden. At that time, she gathered incredible yields, several times higher than those achieved by the other nuns, who later testified that in that year the cucumbers were so bountiful that they were picked in entire baskets. The same went for the tomatoes. On some bushes, as many as 80 fruits were even counted.

ISANG ESTUDYANTE NAM*RIL SA LOOB NG ESKWELAHAN!
Viral at kumpirmado ang naganap ngayong umaga sa Ateneo De Zamboanga sa Zamboanga City kung saan nam*ril ang isang estudyante sa loob ng kanilang eskwelahan na ikinasawi ng dalawang estudyante at siyam ang sugatan.
Kinilala ang estudyanteng nam*ril na si Mohammad Nael Jalani, 4th Year Highschool Student, na isa pa man ding honor student. Tila malakas ang loob nito dahil nag facebook live pa siya ng kaniyang ginawa na animo'y nagla livestream ng isang laro dahil sa pov cam na ginamit nito.
Inaalam pa ang motibo ng ginawa ng estudyante sa kasalukuyan.

Noong 2013...

Maaalala natin na...
maraming natawa sa "r*pe joke" ni Vice Ganda tungkol kay Jessica Soho.
At the same time,
marami rin ang nagalit.

At hindi lang si Jessica Soho ang nagsalita.
Maging ang Philippine Commission on Women ay kinondena ang paggamit ng r*pe bilang material sa comedy.

Later on,
humingi rin ng public apology si Vice Ganda kay Ma'am Soho.

Pero noong 2010,
maaalala din natin ang naging reaction naman ni Vice Ganda
noong si Tado naman ang nag "biro" tungkol sa mga gay...
Makikita nating na-offend at nag react agad si Vice Ganda.

At syempre,
nag apologize din ang dalawa.

Interesting, di ba?

Aug 18, 2026 12:46:13

Interesting, di ba?

How about noong 2022 Oscars...
Makikita nating nagtatawanan pa ang mag-asawang Smith sa mga jokes ni Chris Rock...
UNTIL...
tungkol na sa kondisyon ni Jada ang naging punchline.

Hindi nagdalawang isip,
umakyat agad ng stage si Will Smith,
at sinampal si Chris Rock.

Ang tanong,
pag dating sa "JOKE"...
WHERE DO WE DRAW THE LINE?

May mga nagsasabi:
“Freedom of speech yan.”
“Ganyan talaga ang comedy.”
“Ang pikon ay talo.”

Pero paano naman
pag pagiging Pilipino na natin ang nakanti?

Noong 2008...
may British comedy show na Harry & Paul
na gumawa ng sketch tungkol sa isang Filipina domestic worker.
Ginamit sa joke ang stereotype ng Filipina bilang domestic worker at s*x object.

Maraming Pilipino ang nagalit,
nagprotesta ang Philippine government at Philippine ambassador sa UK.
At kalaunan,
nag-apologize ang BBC para sa offense na naidulot ng programa.

Pero interestingly...
Sa loob ng 42 complaints sa Ofcom tungkol dito,
hindi napatunayang lumabag ito sa broadcasting rules.

So again,
WHERE DO WE DRAW THE LINE?

Okay lang bang pagtawanan ang kapansanan?
Gawing punchline ang taong namat*yan?
Tawanan ang biktima ng abuso?
Gawing joke ang trauma?

O baka kailangan lang nating tanggapin
na MAY LIMITATION talaga ang pagpapatawa?

Kasi hindi natin kailangang hintayin na tayo ang maging target

Aug 18, 2026 12:46:23

Kasi hindi natin kailangang hintayin na tayo ang maging target
bago maintindihan kung ano ang difference ng NAKAKATAWA sa NAKAKASAKIT.

Kailan lang natin maiisip?
Tuwing pagiging Pilipino na natin ang pinagtatawanan?
Kapag grupong kinabibilangan natin ang ginagawang punchline?
O kapag mahal natin ang ginagawang joke?

Paano pa kaya kung ang pinagtatawanan na ay higit pa sa salitang MINAMAHAL?

Paano pa kaya kung ang pinagtatawanan na...
ay ang ating SINASAMBA?

Nakita natin sa kaso ni Pura Luka Vega.
Para sa iba, performance art lang iyon.
Para sa iba, expression lang.
Pero nagkaroon ito ng matinding backlash,
Ilang local governments ang nagdeklara sa kanya bilang persona non grata...
at ilang d3ath threats ang mababasa mo sa comment section n'ya...

Tandaan:
Sa isang milyong tao na masasaktan mo,
maaaring may isang “Will Smith” na handang manampal sa'yo.

Aug 18, 2026 12:46:26

Hindi ibig sabihin na tama ang pananampal.
At lalong hindi tama ang pananakit,
pagbabanta,
lalong-lalo na ang pagp*tay.

Ang sinasabi ko lang...
hindi lahat ng tao ay may kakayahang kontrolin ang kanilang emosyon.

Responsibility nating magtimpi.
Obligasyon nating kontrolin ang ating emotion.
Pananagutan natin na wag makagawa ng k*tarant*duhan
pag tayo ang naging target ng "joke".

Pero...
ano naman ang responsibility ng mga "nagpapatawa"?

"Try now, apologize later" na lang ba?
O wag na kaya tayong mag apologize,
kasi may lisensa naman tayo na tinatawag na "freedom of speech"?

Kadalasan,
sa ngalang ng "freedom of speech"
at sa ngalan ng "pagpapatawa",
nalilimutan natin ang salitang “RESPETO.”

Isipin nating maigi...

Hindi lang WHERE DO WE DRAW THE LINE...

Aug 18, 2026 12:46:28

Hindi lang WHERE DO WE DRAW THE LINE...

kundi SINO ang dapat unang gumuhit nito?

Adios!

STATEMENT OF THE
OFFICE OF THE PRESIDENT
We grieve with the families and the entire Ateneo de Zamboanga community over a tragedy that should never have happened.
Our schools are where we entrust our children to learn, to grow and to dream about the lives ahead of them. They must also be among the safest places in our country.
I have directed our law enforcement agencies to conduct a thorough investigation into this incident and to determine what more must be done to prevent another family, another school and another community from suffering the same grief.
We will work with our schools and communities to strengthen the safeguards that protect our students and ensure that they can pursue their education without fear.
Every Filipino family deserves that assurance.
FERDINAND R. MARCOS JR.
PRESIDENT OF THE REPUBLIC OF THE PHILIPPINES

sewerage systems, worsening water flow. Other "flood-control projects" entailed the raising of roads to make them passable, but this left surrounding low-lying areas to catch and retain floodwaters. Moreover, buildings and developments have taken up spaces that could otherwise absorb rainwater. Poorly planned and implemented infrastructure as well as unchecked development aggravated the very problem they were supposed to address.

When our health, safety and lives are at risk because of systemic theft, we must demand what is due to us. The people must exact

PNP STATEMENT ON REPORTED INCIDENT AT A PRIVATE SCHOOL IN ZAMBOANGA

The Philippine National Police (PNP), through the Police Regional Office 9 and the Zamboanga City Police Office, promptly responded to the recently reported shooting incident inside a private school in Zamboanga City.

Police personnel immediately coordinated with school authorities and other concerned agencies to ensure the safety and orderly movement of students, faculty, and school personnel. The situation is now under control.

The PNP likewise encourages parents and guardians to remain calm and follow the school's advisory, particularly on the designated time and arrangements for picking up their children. The PNP assures the public that the safety and well-being of the school community remain a priority. We thank the school administration, parents, guardians, and the community for their patience, cooperation, and understanding as authorities continue to manage the situation.

main calm and rely on official advisories for accurate and timely information.

Digong completed 11,340 flood control projects, while PBBM has completed 5,500.

Since 2016, our country has spent P1.7 trillion on flood control projects.

Nakikinabang ba ang mga Pilipino?
Nasaan ang 11,340 flood control projects ni Duterte? Nasaan ang 5,500 flood control projects ni PBBM?

The massive budget allocated for flood control started in 2016, which is also when Sara Discaya admitted they began engaging with the DPWH.

Ang flood control scam ay hindi parang bula lang na biglang nag-exist nitong 2024. Itong mga ghost flood control projects ay nagsimula noong naglaan ang gobyerno ng napakalaking pondo para rito.

Science meets Faith? NASA’s astronomical models confirm a partial lunar eclipse (“blood moon”) visible in Jerusalem on Friday, April 3, 33 AD—the date many scholars believe Jesus was crucified.

NASA's long-standing astronomical models—developed over decades to track the precise positions of the Earth, Moon, and Sun throughout history—confirm that a partial lunar eclipse occurred on Friday, April 3, 33 AD. This event turned the Moon a striking reddish hue, often called a "blood moon," and it was visible from Jerusalem shortly after sunset.

Scholars, including Oxford researchers Colin Humphreys and W. Graeme Waddington who drew on NASA's eclipse data in the 1980s, have long pointed to this date as one of the most likely for Jesus' crucifixion.

The timing aligns remarkably with New Testament descriptions: darkness covering the land from noon until 3 p.m. during the crucifixion (as recorded in Matthew 27:45, Mark 15:33, and Luke 23:44–45), followed by Peter's reference in Acts 2:20 to the prophecy of Joel 2:31, where "the sun will be turned to darkness and the moon to blood."

Aug 18, 2026 13:17:21

facebook

NASA notes that Christian texts mentioning the Moon turning to blood after the crucifixion could refer to such a lunar eclipse, during which Earth's atmosphere scatters sunlight and bathes the Moon in a deep red glow. Their sky-tracking calculations pinpoint this rare phenomenon occurring that very evening in Jerusalem, providing an intriguing scientific echo to these ancient scriptural events.

For many, this intersection of faith, history, and cutting-edge astronomy feels profoundly affirming—a reminder that the cosmos itself may bear witness to pivotal moments in human story.

***Interestingly, this year's Good Friday falls on April 3!

What do you think about this blend of science and Scripture? Does it deepen the historical resonance for you? 🙏

Napakahirap tanggapin na may isa na namang school shooting na kailangang harapin ang ating bansa.

Sa ngayon, hindi pa natin masasabi kung may koneksyon ito sa Nihilistic Violent Extremism (NVE) o sa iba pang online communities na sinimulan nating suriin matapos ang Tacloban shooting.

Sa totoo lang, kung ang karahasan ay hindi lamang ginagawa kundi idinidisplay, ginagaya, at nili-livestream pa, mas malaki at mas malalim ang problemang kailangang harapin natin bilang isang lipunan.

Bilang Chairperson ng Senate Committee on Women, Children, Family Relations, and Gender Equality, itutuloy natin ang trabaho laban sa NVE, sa online grooming for serious violent activity, at iba pang banta sa kaligtasan ng ating mga anak sa susunod nating pagdinig sa Huwebes.

Pangunahing layunin ng mga hearing na ito na matukoy kung ano ang kailangan nating baguhin sa paaralan at online environments ng kabataan upang kailanman ay hindi na ito maulit muli.

Lubos akong nakikiramay sa mga pamilyang nawalan ng mahal sa buhay, at sa mga estudyante, guro, at magulang na kailangang harapin ngayon ang takot at trauma ng nangyari.

Hindi dapat matutong mabuhay sa ganitong takot ang ating mga pamilya. Makakaasa kayo na gagawin natin ang lahat upang mapakilos ang gobyerno at maprotektahan ang ating mga anak.

Lumabas ang (larawan) na ito (sa kaliwa), mula sa iba't-ibang news sources sa socmed, na sinasabing ginamit ng "shooter" sa naganap na pamamaril sa luob ng isang pribadong paaralan sa Zamboanga city, kaninang umaga.

Anong klaseng baril ito?

Kinunsulta ko po ang ilang kaibigan na dalubhasa sa mga armas, at para lubos na maipaunawa sa publiko, isa pang larawan (sa kanan) ng kahalintulad na uri ng armas ang itinabi (for comparison).

Sa kanilang inisyal na pagtaya, base na rin sa paunang imbestigasyon ng mga awtoridad... lumalabas na gumamit ang "shooter" ng isang "P-C-C" o "Pistol Caliber Carbine".

Isang uri ng armas, na may katawan na pang-rifle (o long firearm), na binabalahan ng kalibre 9 -mm, .45. o cal. 40.

Sa ibabaw, may naka-kabit na "optics", o mas kilala sa tawag na "scope", na ginagamit upang ma-asinta nang mas malinaw at wasto ng shooter ang "target".

Modified na rin ang "butt" nito, o yung dulo ng baril na isinasandal o dinidikit sa may kili-kili,

Modified na rin ang "butt" nito, o yung dulo ng baril na isinasandal o dinidikit sa may kili-kili, para mas maging pirmi ang armas, sa oras na ito'y paputukin na.

Ang tanong, paano napasakamay ng estudyanteng shooter ang ganitong klase ng armas... at paano niya naisakatuparan ang pamamaril sa luob ng paaralan?

Para po sa inyong **Kapuso Action Man** , higit sa lahat ng katanungan, bigyang halaga muna sa sa kasalukuyan, ano ang dapat na ma-adres ng gobyerno at mga paaralan katuwang ng mga magulang para matuldukan ang problemang ito.

God be with us.

Maraming salamat po kay Mayor Christian D. Natividad at Kap. James Brian Kimpo Dimagiba, sa pamamagitan ni Dr. Jeorge Crisostomo ng City Veterinary Office - Animal Rescue Unit, sa agarang pagresponde sa mga stray animals na nasa ating paaralan.
Nahuli na po at nadala na sila ng Animal Rescue Unit. Mas ligtas na rin ang ating mga mag-aaral, guro, at buong school community. Higit sa lahat, nabigyan din ng tamang pangangalaga ang mga stray animals na matagal nang nasa paligid ng paaralan.
Maraming salamat po sa mabilis na aksyon at malasakit.

every 1am 5 to 9 dogs ang order nyan hinahalo sa karne ng kambing
naawa ako sa mga aso dahil bago nila patayin pinapahirapan na muna nila
minsan binabaril sa bandang tyan

TINGNAN: Sa halip na dumalo sa itinakdang August 24 hearing ng Land Transportation Office (LTO), nagtungo kahapon, August 17, sina Derek Ramsay at kaibigang si Anthony Violago sa tanggapan ng LTO upang isuko ang Porsche 918 at kanilang mga driver's license.
Ayon kay LTO chief Asec. Marcus Lacanilao, humingi ng paumanhin ang dalawa at inamin ang kanilang pagkakamali, habang nangakong makikipagtulungan sa imbestigasyon.
Ipinaliwanag umano ni Violago na pinalitan ang plaka dahil may dadaluhan siyang event at nais niyang gamitin sa sasakyan ang kaniyang initials. Nasa abroad umano noon si Ramsay ngunit nagkaroon sila ng usapan ni Violago.
Anila, mabigat ang paglabag at maaaring patawan ng P5,000 penalty, habang maaari ring masuspinde o mabawi ang driver's license depende sa magiging resolusyon ng LTO Intelligence and Investigation Division.
Naka-impound naman ngayon ang Porsche ni Ramsay habang nagpapatuloy ang imbestigasyon. | via Maki Pulido/GMA News

‘NAIINTINDIHAN NAMIN ANG INYONG DAMDAMIN’

Batid ng Palasyo ang kritisismo sa social media post ni First Lady Liza Marcos noong Lunes, Aug. 17 tungkol sa kaniyang birthday sabbatical kasabay ng naranasang masamang panahon.

“Doon sa post na ‘yon, makikita po natin bago magtapos ay may mensaheng ‘Stay safe and dry,’” ayon kay Palace Press Officer Usec. Claire Castro.

Ibinida rin ng undersecretary na bago pa man ang mga pag-ulan at pagbaha, abala na ang First Lady sa pagtatrabaho at pagbibigay ng tulong.

“Sa mga na-offend or sumama ang kanilang damdamin sa pag-post na ‘to, walang ibig na ipahiwatig na negatibo ang ating First Lady.”

Grabe na ang nangyayari sa bansa ngayon. Matapos ang shooting incident sa Tacloban, may ganito na namang trahedya sa Zamboanga.

Dapat nang mas higpitan ang gun control at magpatupad ang mga paaralan ng mas mahigpit na security protocols para sa kaligtasan ng lahat ng estudyante.

At tigilan na din natin ang pagboto sa mga politikong nag-e-encourage ng karahasan. Huwag na nating suportahan ang mga lider na ang tanging plataporma ay puro patayan, puro pag mamumura at pagbabanta ang lumalabas sa bibig.

Yung morality natin has been corrupted, to the point that even yung mga batang biktima ng EJKs ay pinagtatawanan pa natin.

Let's end this culture of violence now!

STATEMENT OF THE
OFFICE OF THE PRESIDENT
We grieve with the families and the entire Ateneo de Zamboanga community over a tragedy that should never have happened.
Our schools are where we entrust our children to learn, to grow and to dream about the lives ahead of them. They must also be among the safest places in our country.
I have directed our law enforcement agencies to conduct a thorough investigation into this incident and to determine what more must be done to prevent another family, another school and another community from suffering the same grief.
We will work with our schools and communities to strengthen the safeguards that protect our students and ensure that they can pursue their education without fear.
Every Filipino family deserves that assurance.

Igit queen strikes again.

Ang totoo ay hindi kailangan ng Confidential Funds para itayo ang TeleSafe helpline ng DepEd dahil naitatag ito gamit ang regular at transparent na line-item budget ng ahensya sa tulong ng PLDT.

Na-impeach si Sara Duterte dahil sa misuse ng confidential funds. Klaro naman sa ongoing impeachment trial sa Senado; ibinunyag ng Commission on Audit na sa halip na gamitin sa intelligence at surveillance, ang pondo ay ginasta sa mga Christmas party, tree-planting, pagkain, at medical missions.

Klarong nilabag ng OVP ang COA-DBM Joint Circular No. 2015-01 dahil ang mga ganitong regular na aktibidad ay hindi dapat kinukuha sa pondo para sa pambansang seguridad.

Sara is being impeached dahil binulsa niya ang public funds.

I think we have to look at our schools' security both in public and private around the country. Pinag-aaralan ko now to file a resolution to investigate school security around the country. Safe pa ba ang mga anak natin sa schools?
If walang pambayad sa security guard, baka puwede ang mga barangay tanods to help with inspection or securing the schools."

DEPRESSION
I'm dealing with depression. Are these feelings sinful?
Your feelings of depression are not sinful. However, there's nothing that feelings have a lot of influence over your actions, which may become sinful if you are not careful. Jesus does not condemn those who were hurting or ill, and He will not condemn you for feeling depressed. Jesus' words are actually an tremendous encouragement because they acknowledge that unobserved suffering is part of human life, and that God can be known and experienced in the midst of the darkest passages of life.
GOD'S RESPONSE
I am overwhelmed with trouble!
Haven't I had enough pain already?
And now the LORD has added more!
I am weary of my own sighing and can find no rest.
Jeremiah 45:3
Come quickly, LORD, and answer me,
for my depression deepens.
Don't turn away from me, or I will die.
Psalm 143:7
My heart is broken.
Depression haunts my days.
Job 30:16
GOD'S PROMISE
I have told you all this so that you may have peace in Me.
Here on earth you will have many trials and sorrows.
But take heart, because I have overcome the world.

Sometimes, some stories don't end, they just wait. ✨❤️

This beautiful photo of Heart Evangelista and Jhon Prats feels like a reminder that some connections and memories remain special no matter how much time passes. There are moments that may become part of the past, but the feelings, laughter, and memories they created can still live on.

"Some stories don't end, they just wait." Maybe some chapters simply need time before the next page is written. What a beautiful and meaningful moment to remember. 🥹✨

Maybe this is also a conversation we need to have.

Top student. High achiever. Someone who, from the outside, may have looked like they were doing well.

Pero behind that image, we don't really know what was happening.

May mga lumalabas na reports tungkol sa possible academic pressure, competition with classmates, at alleged issue involving a grade from a teacher. May possibility rin na expectations from parents played a role.

Possible lang. Allegations pa lang. Hindi pa natin alam ang totoong motive.

And we shouldn't pretend that we do.

Pero kung academic pressure or the constant need to be the best turns out to be part of the story, then this should make us pause.

Kasi minsan, sa sobrang gusto nating maging successful ang mga anak natin, nakakalimutan nating tao rin sila.

Aug 18, 2026 16:09:42

Hindi sila machines na kailangan laging

facebook

Hindi sila machines na kailangan laging mataas ang score.

Hindi sila trophies na kailangan laging may award.

Hindi sila failures just because someone else performed better.

"Bakit hindi ikaw ang Top 1?"
"Bakit bumaba grade mo?"
"Kaya mo naman maging best, bakit hindi mo ginawa?"

For some children, those words may sound like motivation.

For others, they can slowly become pressure.

And again, let me be clear:

Nothing justifies what happened.

Whatever the reason may be, violence against teachers, classmates, or anyone else is never the answer.

But perhaps this tragedy can also remind us that academic excellence should come with emotional support.

Teach them to work hard.
Teach them to compete fairly.

Aug 18, 2026 16:09:49

Teach them to work hard.
Teach them to compete fairly.
Teach them to handle disappointment.
Teach them that failure is part of growing up.
And most importantly, teach them that their worth is not determined by their grades.

Because a child should never feel that losing a competition means losing their value.

We want children who know how to win. But we also need children who know how to lose without losing themselves.

And maybe that's a lesson all of us need to take from this tragedy.

My deepest condolences to the bereaved families. 🙏

NEWS UPDATE: DepEd in a statement said that it is pushing for updated emergency guidelines that give schools the authority to declare granular, school-level class resumptions following disasters and severe weather.

Under the proposed Executive Order (EO), individual schools that remain safe or recover quickly from emergencies may resume in-person classes, even while broader localized suspensions remain in effect, subject to local government unit (LGU) concurrence and do, according to the agency.

May abogado ba dito? Gustong malaman ng isang sari-sari store owner kung meron silang hahabulin sa sitwasyon na ito. Kumalat ang mga basyo ng inumin na tinitinda nila nang may dumaan na SUV sa lugar nila habang baha at nagdulot ng impact/ripple na syang naging dahilan para tumilapon/mabasag ang mga bote.

From a (new) reader: "Hi po, Visor. Nag-post ako sa community namin pero walang nagpaparamdam sa amin kahit sana makipagusap lang.

"Then may isang resident po na nag-chat lang sa akin na i-send ko nga daw po sa inyo.

"Ayaw po namin ng gulo or public shaming. Gusto lang po namin malaman kung ano ang tamang legal process at rights namin sa ganitong situation. Thank you po."

I strongly condemn the shooting incident at the Ateneo de Zamboanga University Junior High School, which, based on initial reports, left two students dead and several others injured.
I demand a thorough investigation and call on the DepEd and the local government of Zamboanga to provide immediate psychosocial support to distressed learners and school personnel.
We need clear answers on how the shooter was able to obtain two firearms and how these firearms were brought into the school premises.
I stand with the Ateneo de Zamboanga community during this challenging time. Patuloy tayong makikipagtulungan sa sektor ng edukasyon at sa ating mga komunidad upang masugpo ang karahasan sa ating mga paaralan.

Isa na naman pong napakalungkot na balita ang amin pong natanggap. Ito po ay patungkol sa naganap na naman na karahasan at karumal-dumal na krimen sa siyudad ng Zamboanga, at isa na naman pong estudyante ang nakagawa ng isang bagay na... hindi pa natin maipapaliwanag ito sapagkat hindi pa po natin alam ang mga tunay na naganap. Mahirap po magbigay ng komento. Lahat po ngayon ay nababalitaan lang natin sa social media, sa mga breaking news. Ito po kasi ay bumabagsak sa aking komite, ito po ay sa Public Information [and Mass Media], dahil ito po ay impluwensiya ng social media sa ating mga kabataan dahil palagi nga po sila gumagamit ng kanilang account.
Sila po ay nakapag-live pa po ito, at napakalaki po ng epekto talaga sa mga bata ng social media. Alam ko po, marami ang nagagalit sa akin diyan, sobrang dami pong tao nagalit sa akin diyan, noong ito po ay isinasagawa namin ng public hearing, at ito po ay isang bagay sana na ilalapit ko po sa inyo. Sana po na maintindihan po ninyo.
Intindihin n'yo po ako na kailangan po natin maisulong ang batas na kung ano po ginagawa doon sa mga progresibong bansa na kanila na pong pinagbabawalan ang kabataan na gumamit ng social media, sapagkat ito po ay hindi na nakakapagbigay ng tamang pag-iisip, hindi nakakapagbigay ng tamang halimbawa, at nagagamit pa po para maging daan upang 'yung kanilang mga iniisip na karahasan sa kanilang mga nais nilang gawin ay nagagawa nila. Sapagkat, nagkakaroon po sila ng tinatawag na platform, at 'yan po ang social media. Kaya, mga mahal ko na kababayan, sana po tulungan n'yo po ako.

Napakahirap tanggapin na may isa na namang school shooting na kailangang harapin ang ating bansa. Sa ngayon, hindi pa natin masasabi kung may koneksiyon ito sa Nihilistic Violent Extremism (NVE) o sa iba pang online communities na sinimulan nating suriin matapos ang Tacloban shooting. Sa totoo lang, kung ang karahasan ay hindi lamang ginagawa kundi idini-display, ginagaya, at nili-livestream pa, mas malaki at mas malalim ang problemang kailangang harapin natin bilang isang lipunan.
Bilang Chairperson ng Senate Committee on Women, Children, Family Relations, and Gender Equality, itutuloy natin ang trabaho laban sa NVE, sa online grooming for serious violent activity, at iba pang banta sa kaligtasan ng ating mga anak sa susunod nating pagdinig sa Huwebes. Pangunahing layunin ng mga hearing na ito na matukoy kung ano ang kailangan nating baguhin sa paaralan at online environments ng kabataan upang kailanman ay hindi na ito maulit muli.
Lubos akong nakikiramay sa mga pamilyang nawalan ng mahal sa buhay, at sa mga estudyante, guro, at magulang na kailangang harapin ngayon ang takot at trauma ng nangyari. Hindi dapat matutong mabuhay sa ganitong takot ang ating mga pamilya. Makakaasa kayo na gagawin natin ang lahat upang mapakilos ang gobyerno at maprotektahan ang ating mga anak.

Ano nang nangyayari?! Paano na naman naipasok ang baril sa paaralan?
It's very alarming that less than two months after the Tacloban school shooting, another act of violence like this has occurred.
The bad side of social media and video games exerting pernicious influence on young people are now in full view. Forms of violence never seen before in our country. Urgent and effective safeguards are needed to prevent similar tragic incidents.
Ang atin din pong pakikiramay sa pamilya ng mga biktima, dalangin sa agarang paggaling ng mga nasugatan at panawagan para sa kinakailangang paggabay sa lahat ng mga apektadong mag-aaral, magulang, guro at kawani sa insidenteng ito.

We express our profound sorrow and concern over the tragic shooting incident at Ateneo de Zamboanga University. Our thoughts and prayers are with the victims, the families, classmates, teachers, and the entire school community as they confront the devastating consequences of this violence. Schools must remain places of learning, safety, and hope-never sites of fear and bloodshed. This incident underscores the urgent need to strengthen protections for learners while addressing the underlying factors that may contribute to youth violence, including mental health concerns, bullying, access to weapons, and other risks to children and communities.
We call on the DepEd and the PNP to conduct a swift, impartial, and thorough investigation, ensure accountability in accordance with the law, and provide immediate psychosocial and other necessary support to the victims, their families, and the affected school community. We likewise urge the public to refrain from spreading unverified information while investigations are ongoing.
This tragedy is a solemn reminder that safeguarding the well-being of our children requires coordinated action from families, schools, communities, and government institutions, anchored on the core values of humanity, compassion, and, above all, respect for the sanctity and value of human life. We remain committed to supporting policies and interventions that foster safe and nurturing learning environments, promote early intervention and peaceful conflict resolution, and uphold the dignity, welfare, and best interests of every Filipino child.

We extend our deepest sympathy to the victims, their families, and the entire Ateneo de Zamboanga University community.
Maraming tanong ang kailangang sagutin: Saan nakuha ng bata ang high-powered firearm? Ano ang ugat ng pangyayari? Sino ang nagkulang sa paggabay at pagbabantay? Habang iniimbestigahan ito, kailangan din nating kumilos.
Nananawagan tayo sa Kongreso at administrasyon na isabatas na ang Child Safety Against Gun Violence Act (HB 10058) upang mas maprotektahan ang ating mga kabataan laban sa ganitong trahedya.

'NAPAKAPANGIT NA PO NITONG NANGYAYARI NA 'TO'

Nanawagan si Senator Robin Padilla ng agarang pagsusuri sa mga batas at polisiya na may kaugnayan sa kabataan at paggamit ng social media kasunod ng insidente ng p*mamaril sa isang paaralan sa Zamboanga City nitong Martes, Agosto 18.

Ayon kay Padilla, maaaring magkaroon ng epekto sa pag-uugali at paghatol ng mga kabataan ang marahas na content na nakikita sa mga online platform.

Aniya, may pagkakahawig ang insidente sa mga pattern ng karahasang nasaksihan niya noong siya ay nakakulong.

Iginiit ni Padilla na dapat suriin ng mga kinauukulan ang umiiral na mga polisiya at gumawa ng kaukulang hakbang upang matugunan ang posibleng epekto ng ganitong content sa mga kabataan.

Hayden Panettiere's former partner and the father of their daughter, Kaya, has said his family is going through a time of profound shock and grief. Police say there is no indication of foul play in the actress's death, with no signs of trauma. Toxicology results are still pending; President Donald Trump has lashed out at Oman, which has been trying to work out a deal with Iran; Meta heads to federal court Tuesday in the biggest-ever social media legal case, one that could shape how we all use Facebook and Instagram; Luigi Mangione's state trial is now on hold; the defense opened with testimony from Lindsay Clancy's mother, who described Clancy as a loving mom whose mind unraveled after starting psychiatric medication; a cocaine trafficking ring allegedly operating around Penn State has led to charges against 14 people; a woman in New Zealand says she got a parking ticket after she temporarily died; The unpolished animated movie 'Niu Lai' has gone viral in China, making more than $2 million at the box office; 1999's '10 Things I Hate About You' is heading to Broadway, and Serena Williams and Venus Williams reunite on the court for the Cincinnati Open.

STATEMENT OF THE
OFFICE OF THE PRESIDENT
ANC 30 DIGITAL
We grieve with the families and the entire Ateneo de Zamboanga community over a tragedy that should never have happened.
Our schools are where we entrust our children to learn, to grow and to dream about the lives ahead of them. They must also be among the safest places in our country.
I have directed our law enforcement agencies to conduct a thorough investigation into this incident and to determine what more must be done to prevent another family, another school and another community from suffering the same grief.
We will work with our schools and communities to strengthen the safeguards that protect our students and ensure that they can pursue their education without fear.

NARITO PO ANG POSISYON NG NEWS5 AT ONE NEWS KAUGNAY NG INSIDENTE SA ISANG PAARALAN SA ZAMBOANGA:

Kami po sa News5 at One News ay naniniwalang dapat itrato ang mass shooting katulad ng suicide.

Itinuturing ng World Health Organization ang suicide bilang isang social concern dahil ang pagbabalita ng ganitong karahasan ay maaaring gayahin ng iba.

Bilang isang responsableng media organization, kami po ay naniniwalang hindi dapat bigyan ng detalyado at paulit-ulit na pag-uulat ang ganitong pag-atake.

Hinihikayat po namin ang aming mga kasamahan sa media na maging maingat din sa pagbabalita.

Nananawagan din ang News5 at One News sa mga otoridad na magsagawa ng malalim na imbestigasyon, bigyan ng hustisya ang mga biktima, at gumawa ng mga hakbang para hindi na maulit ang ganitong trahedya.

READ: Vice President Sara Duterte on Tuesday disputed reports about her supposed Japan trip, saying her travel plans had changed and the updated information was already relayed to the Office of the President.

Duterte also warned that publishing details of her schedule could compromise her security and expose her to risks. | 📷: Inday Sara Duterte/ Facebook

STATEMENT ON INACCURATE MEDIA REPORTS AND SECURITY THREATS

The news reports published by ABS-CBN, Abante and Bilyonaryo regarding my supposed trip to Japan are inaccurate. My plans have since changed, and the updated information on this matter was formally submitted to the Office of the President.

I once again remind media organizations and news outlets of the importance of verifying information before publication. The rush to generate public attention or sensationalize a story should never take precedence over the responsibility to report truthfully and accurately. Such practices are inconsistent with the principles of responsible journalism. A simple verification with the Office of the Vice President would have been the rule of thumb for professional media organizations.

Likewise, I wish to again remind the Office of the President that the continued publication or disclosure of my schedule is a matter of serious concern, particularly as it compromises my personal security and exposes me to heightened risks.

Thank you.

SARA Z. DUTERTE

Malacañang is pointing fingers yet again, shifting the blame for the country's culture of violence onto teachers and accusing us of failing to instill good manners among learners. Such a reckless and insulting tirade is not only appalling but a blatant attempt to scapegoat teachers for problems rooted in a much deeper crisis that the government itself has helped create and perpetuate.

BAG ng SUSP3K sa PAMAM*R!L HINDI NA-INSPECT

Lumabas sa paunang imbestigasyon na naipuslit ng Grade 7 na Suspek ang arm4s na ginamit sa pamam*r!L dahil gumamit ito ng sasakyan papasok sa loob ng Ateneo De Zamboanga University.

Unang bin*r!L ng susp3k ang isang guro bago ang mga estudyante at dalawa agad ang naiulat na nasawi, marami ang sugatan na agad dinala sa pinakamalapit na pagamutan.

Napag alaman namang pag mamay ari ng pulis na ama ng susp3k ang b*ril na ginamit sa krim3n. Dahil dito agad tinanggal sa pwesto ang pulis na nakatalaga sa Costum dahil isa itong Port Police.

REMULLA: SUSPECT BEHIND ATENEO DE ZAMBOANGA TRAGEDY ALSO A VICTIM

Department of the Interior and Local Government Secretary Jonvic Remulla said that the gunman behind the shooting at Ateneo de Zamboanga University on August 18, 2026 should also be considered a victim.

Speaking in an interview, Remulla identified the suspect as a Grade 9 student who died after jumping from the fifth floor of a school building following the incident.

“We’re all heartbroken for the families," Remulla said. “We assure the public that we’re on top of this and we will do all corrective measures para hindi na maulit,” he added.

According to Remulla, he has already ordered authorities to review the suspect’s online history to determine if internet activity played a role in the student’s decision.

The DILG chief said a full investigation is underway, and that government agencies are coordinating with the school and the families affected to address both security gaps and mental health support for students.
